Dear Mrs. Shaffer:

In my interest of writing an history of
Wasatch County, I would like you to tell
me anything you might remember about the
Japanese Internment Camp at Keetley Utah.

We would be particularly interested in any
names of those people; any pictures of any
part of the camp; of pictures of any of the
good people who were interned there.

Any help you can give me, I would greatly
appreciate.

Sincerely,
Dr. Green
